Association
Convention, Irving in 2005
July 13-18, 2005

All ads must either be supplied as camera-ready artwork, or as an electronic file on disk. Electronic format files that work well are tiff, eps (as long as you include your Macintosh-compatible fonts), pdf, Quark XPress, etc. Please do not send ads created in word-processing programs unless you are able to export the file as one of formats listed above.

In order to have time to resolve potential problems with ad composition or format, please try to get ads in as early as possible.
